Renton, WA— LION, Inc. (OTC Bulletin Board: LINN), formerly Plenum Communications, Inc., today announced that its' wholly owned subsidiary, LionInc.com, has achieved an operational milestone of hosting over 1,000 web sites for mortgage professionals across the country. LionInc.com has achieved this goal by selling and developing over 300 web sites in the fourth quarter of 2000.

LionInc.com also provides Mortgage101.com ASP (Application Service Provider) technology to an additional 750 mortgage web sites, as well as business-to-business services to over 8,000 mortgage brokers. These customers interact with hundreds of wholesale mortgage lenders to create one of the largest online mortgage marketplaces in the country.

Dave Stedman, President of LionInc.com, commented, "LionInc.com is successfully meeting the needs of mortgage originators with our Free Mortgage Dot Com service and the introduction of new features to our custom web site packages."

Stedman continued, "Our strategy of offering custom e-business solutions to mortgage originators for under \$1,000 dollars has enabled us to achieve this impressive benchmark. Leadership in mortgage web development is one of our priorities to realize increased market share and marketplace growth."
